

COMM-LIGHT™
STYLE -CL-6

VHF Lighted Antenna

Enhance your boat's appearance and on-the-water experience with the Comm-Light™ VHF Lighted Antenna. Combining reliable VHF communication performance with customizable LED illumination, this innovative antenna is designed for boaters who demand both functionality and flair.

Featuring multiple lighting presets, dynamic pulsating modes, and a vibrant spectrum of colors, Comm-Light delivers next-level customization with eye-catching effects to complement any boating experience. Easily control lighting colors, brightness, and preset modes through the easy-to-use Comm-Light mobile app.

Whether you're cruising at dark, or having fun to the beat of the music, this unique antenna delivers a memorable experience.

THE WORLD'S FIRST ILLUMINATED VHF ANTENNA.

Light Up the Night | Control with a Phone | Pulsate to Your Music
