

MD 10S
STYLE - 427-N-KIT

1.5m Fibreglass VHF Antenna w/Nylon Ratchet Mount

Shakespeare® 427-N-KIT is a rugged 1.5m fibreglass VHF antenna kit designed for dependable performance in demanding marine environments. The antennas durable fibreglass tube is engineered to withstand harsh conditions, while the included nylon ratchet mount provides a secure and practical installation solution.

427-N-KIT is supplied with 6m of RG58 cable and a PL-259 connector, along with a standard 1"-14 nylon ferrule, and 4186 nylon ratchet mount for easy mounting. With an omnidirectional radiation pattern, vertical polarization, and 50-ohm impedance, 427-N-KIT delivers reliable VHF communication performance for power and workboats.

SHAKESPEARE®

Fibreglass VHF Antenna w/ Nylon Ratchet Mount

APPLICATIONS:

- Powerboats
- Fishing Boats
- Commercial/Work Boats

FEATURES/BENEFITS:

- Reliable VHF communication - features 3 dB gain and 5 MHz bandwidth for dependable marine communications
- Rugged fibreglass construction designed to withstand harsh marine conditions
- Brass and copper elements for extra performance
- PL-259 connector, 4186 nylon ratchet mount, and 6m RG58 cable included for convenient installation
- Omnidirectional radiation pattern provides 360° coverage
- Vertical polarization, and 50-ohm impedance for compatibility with standard VHF system
- 50 W power rating for dependable operation

SPECIFICATIONS:

Model Number	Description	Height	Frequency (MHz)	Gain (dB)	Included Mount
426-N-KIT	VHF 3DB 1.2M F/G Antenna, 1''-14 Nylon Ferrule, 6M RG58, 4186 Nylon Mount, 156-162 MHz	1.5 m	156-162MHz VSWR <1.5:1 (at resonant point)	3	4186 Nylon Ratchet Mount
