RV 240
STYLE - 5101-S

2.5 m Fibreglass VHF Antenna

Shakespeare® 5101-S is a reliable 2.5 m marine VHF antenna designed to deliver dependable communication performance and excellent value for powerboats and workboats. Its durable white fibreglass tube features a smooth gloss-painted finish for a clean appearance.

Brass and copper antenna elements are designed to support reliable VHF performance, while the standard 1”-14 nylon ferrule provides practical mounting. 5101-S is supplied with 6 m of RG-58 cable and a PL-259 connector for convenient installation.

SHAKESPEARE®
